

# CERTIFICATE

## The company

**COMERCIAL GODEMA SL (KARIBIAN DESCANSO)**  
**POLIGONO URBAYECLA II CASTILLAREJOS S/N**  
**30510 YECLA (MURCIA), SPAIN**

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 2017OK1452

## for the following articles:

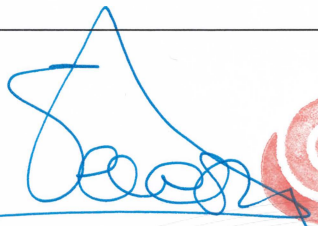

**Mattresses with flexible polyurethane foam core with high resilient with densities between 28-55 Kg/m<sup>3</sup>, or spring housing cores, combined with viscoelastic with densities between 50-80 kg/m<sup>3</sup>, polyester fabrics combined with natural fibers such as Tencel, Merino wool, linen, cashmere, cotton padded with polyester and visco-elastic fibers of densities between 50-80 kg/m<sup>3</sup> or foams such as the Polargelfoam of 45 kg/m<sup>3</sup> density. Including accessories as: threads, zippers, pipings, strips and labels. Karibian References Rest: Platinum, Gold, Silver, Articulated and Juvenile series. Max height: 35 cm.**

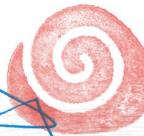

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.
